

International Christian Summer Days in Bethesda

6-9 July 2020 - Copenhagen

About the days:

The days are for young people, adults and families from all over the world, which provides a great opportunity for experiencing a bit of the global community. You are welcome no matter if you are already coming in IKC or it is new to you.

There will be speeches, picnics, time to hang out and human diversity.

Children and teenagers will have their own program sometimes. Parents are expected to help their children.

Our team will cook for you and serve lunch and dinner for each person. The team behind the days cleans between each day of activities.
